Police Department – Chief Rick Core

- Welcomed everyone
- New system still not printing CFS – Sheriff's Dept. is working on that. I can tell you we are extremely busy three rape cases and stolen vehicle today.
- I'm like a broken record on the drug front. We take drugs out every day resurgence of methofedine as they think it is "safer". No field-testing, as I don't want to risk the lives of our officers of any drugs in the field now - can be laced with fentanyl. There are precautions we can take.
- Through gracious support of the board, we've been forced to move our evidence room and we will fill it up,. Appreciate that.
- From someone who was out helping on Saturday. Don't know who was plowing but ours were safer than county or state roads. Township roads in much better shape than state or county roads Much appreciated!
- Our goals is same - to serve the resident so f Washington Township and help eradicate the drug problem. I feel if we can keep the pressure on the drug culture it will help eliminate other problems. Pedal to the floor on that. We will do it all in 2019.
- With that - our normal training requirements we got knocked out as quickly as possible so we can be out serving our residents.
- I pledge to keep the quality of law enforcement what you are used to and without your support, we couldn't do that.
- Rick Beck: I want to say one thing here. They have been putting in some long hours.. We have some guys in there right now who are putting in 120% and these are not easy cases. Takes a lot of time, court time, investigations, Rick spent most of his time in Columbus. His other job he makes 10 times what he makes here and he keeps going like this. I have less than a year to go and I'm glad he continues to work for the township And, when I sit back in a chair, I'm proud of Rick and the officers. Lisa has been a die hard for this police dept. Lisa has been on the financial end to make sure we can still do what we do. I'm very proud to serve with them. I'll always have their back. Chief Core: Thank you Trustee Beck, that means a lot to me.
- I'm investigating the rape of a 3 year old and another one tomorrow so I'll be in Columbus. They start at 6:00 AM and tomorrow will be a long day too But having folks like you, the support of the community you're not spinning your wheels all the time. FYI - 149 officers died last year. We are lucky in our township that a lot of that does not exist, but please keep the families of these fallen officers in your prayers as they died serving their communities.

Zoning – Gary Bias, Zoning Inspector

- 35 calls last month (one zoning for front porch)
- Conditional Use meeting on January 21st for a gun repair and sales shop
- Dave Gluten took another job with LUC and Brad Bodenmiller took over
- Dropped off map and resolution to Logan County Recorder's office and will drop off copy to LUC
- Sent an email - changes in the procedures how to handle nuisance properties. Eric sent me some new information. Please look at it and at our old procedure and advice how to handle in the future. This procedure all nuisances going in front of the Trustees.

Road Department – John Newland, Road Superintendent

- I was off during a nice windstorm and thanks to Rick, he took care of them. There were several.
- I pushed a bunch of dead ones over - probably 15 trees over to avoid that happening again.
- Snow....everything went good there. Just as I was leaving, I was cleaning up at Five Parks. The 350 is down into tomorrow. Blade is broken but will be fixed tomorrow.
- Big truck is down - fuel filters are plugged, but otherwise, things are fine
- Two batteries in the cruisers and brakes on Thompson's so should be in good shape there for a while.

LUC Board – Trustee Berg

- Replacing the bridge on 235 north of the lake and done by memorial day
- They did get sale completed \$22,300.00 - Reliant is moving in there.
- New director - Brad Bodenmiller

EMS Board – Trustee Faulder

- Approved 2019 appropriations budget
- Building moving along nicely
- Approved security for new building

Fire Board – Trustee Beck

- Thank Jason who was along for the ride for this last meeting.
- Four new officers coming on - 70 people were there; kind of a shock that they recognized me for the retirement part of it and gave me a helmet with signatures of all of the fire dept. and trustees. So, really nice. I'll miss the board and miss the Firefighters. Glad to see Jason jump on there as I think he will be an asset to them. He's kind of cross trained on all that any way. I'd like to see the new truck in action. Things are in good shape. Tucker is heading to the squad and will have some big shoes to fill. Nice meeting. Trustee Faulder: They will really miss Rick up there.

Old Business – Trustees

- Tank for Police Department – Trustee Faulder: I contacted - RD Holder, Heritage and Heiby. Also, RD Holder made an agreement that if we purchase both diesel and gas (1,000) they will give us another .10 off per gallon. Trustee Beck: What would happen if we give the Police Department one of our tanks ...Trustee Faulder: They will do the tank for \$75/month includes the rental of the tank and all parts on it should the go bad as well as monitors the fuel so when they see it getting low, they automatically fill it up plus can tell date / time / amount of gasoline pumped out of it.

John Newland: Call Smith up - calendar with phone number. Trustee Faulder: Never heard of them. Give me their number and we'll make those calls. One we call Smith, do you want to wait until next meeting. Trustee Beck: Once we get this decided - we may need to move the trucks around to the back.

New Business – Trustees

- None

Public Comments

- Lakerettes perform at the BB game tomorrow night

With no further business to come before the group, Trustee Beck made a motion to adjourn at 7:16 PM. Trustee Berg seconded. All answered "Aye". Motion carried 3-0. The next regular board meeting is scheduled for Monday February 11, 2019 at 6:30 p.m. at the township hall.
